Road Closure for Structure Repairs on Powells Valley Road in Dauphin County

Harrisburg, PA – The Pennsylvania Department of Transportation (PennDOT) announced today that a PennDOT maintenance crew in Dauphin County is scheduled to begin a small structure repair project next week on Powells Valley Road (Route 4013) in Wayne Township. The bridge, which is located at the east side of the intersection with Price Road, will be closed for this work.

Weather permitting, work will begin Monday, May 5. A detour will be in place using Route 225, Rutter Road (Route 4004) and Enders Road (Route 4001).

Work is expected to be completed and the bridge open to traffic by Friday, May 30.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by [following local alerts on X](#).
